

Merydith Willoughby is an author and award winning Organisation Development Consultant. She has worked literally from boardrooms to the grass roots level of society and delivers services to Australia and USA.

Merydith Willoughby B.L.S., Grad. Dip. Ed., Wom. Stud. Cert., has worked in the area of leadership for over twenty years. She has assisted leaders to become more powerful than they ever thought possible. In her latest book – *Sex in the Boardroom* Merydith shares many of her secrets with you. See how you can take your people and organisation to dizzy heights!

The book has a systems approach to leadership development and you can use it as a tool to review what you are doing, to make minor changes or to make radical changes in the way you lead. You can learn how to focus on what will give you the most gain for your organisation instead of focusing on peripheral issues that just take a lot of time away from what you *really* should be doing.
